

ATLANTIC AVENUE ARTS WALK 2005 - CALL FOR ARTISTS

DATES:

The Art Walk will be held Saturday & Sunday, June 4 - 5 from 1pm-6pm both days.
Registration deadline for Art Walk 2005 is Friday, April 15th.

ABOUT ART WALK:

Atlantic Avenue Art Walk is a self-guided tour of open studios, exhibitions, and supporting events with area fine-artist, gallery, and retail participation. This year the tour will feature the addition of sculpture exhibited along the Avenue, affording additional opportunities to show work in a public forum.

In 2004, over 50 artist, galleries, and area organizations participated. The tour has featured a wide diversity of media throughout Art Walk shows & open studios including painting, sculpture, watercolor, photography, digital media, and textiles. Art Walk 2005 has grown to include additional opportunities for film, work displayed in outdoor public settings, performance, and more. Art Walk 2005 is made possible this year with support from Atlantic Avenue Local Development Corporation, Atlantic Avenue Betterment Association, and Hoyt Street Association.

ELIGIBILITY:

Art Walk is open to all artists who have studios, work, or show space in the greater Atlantic Avenue area. This year the tour extends from 4th Avenue to Hicks Street. There is no fee to show in the Art Walk, but all interested parties must register by April 15, 2005 and follow the tour guidelines in the registration materials.

Artists in all media outside of the tour area are welcome to submit an application to show in the tour and will be notified regarding jury selection, availability of space, and mutual venue selection by April 25, 2005. Show locations include public spaces, participating merchants, and we are accepting submissions for site-specific works along the designated tour route this year.
