## **CALL FOR ARTISTS - THIRD ANNUAL OPEN STUDIO & PUBLIC ART TOUR**

### **DATES:**

The Art Walk will be held Saturday & Sunday, June 3 - 4, 2006 from 1pm-6pm both days.  
Registration deadline for ArtWalk 2006 is Monday, April 17th.

### **ABOUT ARTWALK:**

Atlantic Avenue ArtWalk is a self-guided tour of open studios, exhibitions, public art programs, and supporting events with area fine-artist, gallery, and retail participation. This year the tour will feature the addition of sculpture exhibited along the Avenue, affording additional opportunities to show work in a public forum.

In 2005, over 165 artists, galleries, and area organizations participated. The tour has featured a wide diversity of media throughout ArtWalk shows & open studios including painting, sculpture, watercolor, photography, digital media, murals, textiles, and more. ArtWalk 2006 has grown to include additional opportunities for film, work displayed in outdoor public settings, performance, and more.

This event is made possible with public funds from the New York State Council on the Arts. In Kings County the Decentralization Program is administered by the Brooklyn Arts Council, Inc. (BAC).

### **ELIGIBILITY:**

ArtWalk is open to all artists who have studios, work, or show space in the greater Atlantic Avenue area. The tour extends from 4th Avenue to Hicks Street. There is no fee to show in the Art Walk, but all interested parties must register by April 17, 2006 to be eligible and follow the tour guidelines in the registration materials.

Artists outside of the tour area are welcome to submit an application to show in the tour and will be notified regarding jury selection, availability of space, and mutual venue selection on a first come basis. Show locations include public spaces, participating merchants, local host venues, and we are accepting submissions for site-specific works to be exhibited along the designated tour route and this year. To submit ideas for site-specific work, email [artwalk@colab-projects.com](mailto:artwalk@colab-projects.com).
